

Dear Friends,

this fall the Foreigner- and Integration Advisory Body of Würzburg organizes three important informative events which should address the actual needs and demands of people with a foreign passport:

October 13th 2015

Neubastraße 12 (within the Baroque buildings), 6:00 PM.
Free Entry.

Informative-Event: Approval of Foreign Professional- and Educational Degrees

Since April 2012, all immigrants have the right to validate degrees and find out if they are of an equal value. The legal basis for this is the so called Berufsqualifikationsfeststellungsgesetz. All immigrants have this claim, irrespective of their origin or their legal status.

We will inform you about questions concerning the approval of professional training, advanced training possibilities and working perspectives. Furthermore you will have the chance to show your professional documents personally to Ms. Yuliya Gorbunova and get all the information about the approval process.

We will focus on refugees. Often it is especially difficult for them to get the above-mentioned degrees, made in their home country, approved in Germany. Sometimes these documents get lost during war or escape and cannot be acquired anymore.

November 5th 2015

Dauthendey-Saal within Falkenhaus, 6:00 PM.
Free entry.

Informative-Event: Basic Security for People with Work Permit

Legal status in Germany often determines individual claims to the social system. The legal system is utterly complex and in addition there are also special regulations and restrictions.

We will inform you about the present possibilities for foreign citizens and the necessary steps to apply for social security benefits according to the SGB II law.

December 1st 2015

Dauthendey-Saal within Falkenhaus, 6:00 PM.
Free entry.

Informative-Event: Basic Features of the Aliens Law

The following topics will be presented at the event:

- variety of legal statuses and residence purposes
- Overview about the asylum procedure process
- Immigration for employment purposes, apprenticeships or as family reunion
- Right of residence for EU-citizens who have freedom of movement and their relatives
- Redefinition- and annulment of the right to stay law. The present legal right to stay.
